(PATENT)

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Patent Application of:
Rudolf Faust *et al.*

Application No.: 10/776674

Confirmation No.: 3484

Filed: February 11, 2004

Art Unit: 1713

For: COPOLYMERS COMPRISING OLEFIN
AND PROTECTED OR UNPROTECTED
HYDROXYSTYRENE UNITS

Examiner: Not Yet Assigned

INFORMATION DISCLOSURE STATEMENT (IDS)

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

Applicants would also like to draw the Examiner's attention to the following applications:

<i>Application No.</i>	<i>Inventor</i>	<i>Filing Date</i>
10/776,681	Faust, <i>et al.</i>	02-11-2004
10/902,280	Faust, <i>et al.</i>	07-29-2004
10/872,134	Faust, <i>et al.</i>	06-18-2004

This Information Disclosure Statement is filed more than three months after the U.S. filing date, but before the mailing date of the first Office Action on the merits (37 CFR 1.97(b)(3)).

Copies of references A24-E20 listed on the attached PTO/SB/08 are attached hereto. Applicant has not submitted copies of each cited U.S. patent and U.S. patent application as required by 37 CFR 1.98(a)(2)(i), amended October 2004, as the U.S. Patent and Trademark Office has waived this requirement for all U.S. patent applications. Applicant submits herewith copies of foreign and non-patents in accordance with 37 CFR 1.98(a)(2).

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 12-0080, under Order No. ULI-002.

Dated: September 29, 2005

Respectfully submitted,

By 

Danielle L. Herritt
